Skellig Islands Land Boat Trip

The magnificent Skellig Islands lie 8 miles (12 km) off the coast of Portmagee in South West Kerry. Rising majestically from the sea, Skellig Michael towers 714ft. (218 metres) above sea level. On the summit of this awe-inspiring rock you will find a remarkably well preserved sixth century monastic settlement. On the spectacular Small Skelligs 23,000 pairs of gannet nest on every available ledge making it the second largest gannet colony in the world.

The Eagle 3 will depart from the Skellig Experience Centre on Valentia Island over the bridge from Portmagee. Co. Kerry. On the morning of departure please make your way to the Centre. You can park your car here free of charge.

Please check in with staff here by 09:00 where you will be given an update on your sailing. Boat departures will vary between 09.30 & 10.30.

Prior to the boat departure you will have time to register, take a tour of the Skellig Centre and view the safety film provided. Please remember to use the toilet here before departure as there are no toilets on the Island. You can buy packed lunches at the centre to take with you.

Cruising time to Skellig Michael is approx. 1 hour. This gives you approximately 2.5 hours on the island itself and a return sailing time of 1 hour. Please dress appropriately with proper walking gear and come prepared for any type of weather especially with rain gear and sun cream. You also need good quality walking boots with good ankle support and cleated soles.

Please be aware that the walk/ climb is over steep slopes and drops.

Day 2

Private Westminster Royal London Walking Tour

London, England

Private Tour Duration: 2 hours 30 minutes

Start Times: Every Day at 10:00 am and 2:00 pm

Highlights- Big Ben- Houses of Parliament- Trafalgar Square- Whitehall- 10 Downing St- Home of British Prime Minister- Westminster Abbey- St James's Park- Churchill's war cabinet bunker

Description Learn about Chaucer at Westminster Abbey and bump into the Prime Minister at 10 Downing Street. This small group tour will pass through the lush green parks, bustling crowds, and manicured squares that make up this fascinating urban landscape. Discuss Big Ben at the House of Parliament and pass through the famed Trafalgar Square. Our guides will share stories about monarchs and leaders, like Queen Elizabeth II and Winston Churchill, while also taking advantage of your local guide, who will be more than willing to share their favorite addresses as you explore together. And yes, they can even tell you where to go for a pint and some fish and chips – there's some history to learn there as well! After a break for lunch, learn about the master painters whose names fill the halls of the National Gallery. Instead of wandering aimlessly, let our guides immerse you in the stories and history behind some of the world's most famous artists. You've heard of Van Gogh and da Vinci, but what do you really know about them? Learn about the painters behind the paintings as we browse our favorite works by masters like Botticelli, Monet, Rembrandt, and Vermeer. If none of those names mean anything to you, we'll make sure that all changes by the end of the tour. The National Gallery houses a collection of paintings from the 1300s onwards, so there is no shortage of choice. View da Vinci's "The Virgin of the Rocks" before fast-forwarding to Seurat's "Bathers at Asnières" to witness the changing styles over the centuries. During this semi-private tour, we'll arm you with the information and history that you'll need to appreciate the 2300 paintings on display at one of the world's most visited museums.
