

# NICARAGUA FOR THE TULCANS

## NOTE ABOUT YOUR SAFARI

### **Tailor made travel**

Hello Jennifer!

We have put together some quotes for your hoteling as follows.

\*Notes - Rancho Santana- the airport transfer is complimentary with a 4 night stay here, so I included 2 date ranges. We can add one day (Jan 7th night) at Morgan's Rock if you opt for that. We can arrange a private transfers from the airport to Morgan's Rock, then from Morgan's Rock to Rancho Santana.

\*At both properties there is a minimum night requirement which lifts Jan 5 and rates dramatically decrease at this date as well, so we are left with the date range of Jan 5-11.

Morgan's Rock Ocean View Bungalow - check out their experience brochure at the hotel listing!

Jan 5-7

\$630 per night inclusive of taxes

Inclusions for this Option:

For air purposes Managua International Airport (MGA) is the best option for proximity (approx. 2.5 hours by road). We can look into air further once you have decide if this plan sounds good?!

This will be an epic adventure, designed especially for you and your hubby. We hope you enjoy the proposal and we will look forward to your thoughts.

Warm Regards,  
Angie and Jessica
