Day 3

Optional: Hike Camelback Mountain or Piestewa Peak

Camelback Mountain has two spectacular trails, both require some endurance to complete, or you can opt to partially hike either trail. The beauty of staying at the Phoenician is that you are less than a 15 minute walk from the Cholla Trailhead. Read up on both trails, as the [Echo Canyon Trailhead](#) is the favored hike. I would take a short Uber ride if you choose this trail, as parking is a challenge.

[Piestewa Peak](#), at 2,610 feet is the second highest point in the Phoenix Mountains, after Camelback Mountain, and the third highest in the city of Phoenix, Arizona. It is located in the Piestewa Peak Recreation Area within the Phoenix Mountain Preserve, near Piestewa Parkway.

Optional: Shopping Scottsdale

Scottsdale is known for its shopping. You are just a 5-minute drive from [Scottsdale Fashion Park](#). Link to [directions](#). For an outdoor ambiance, we recommend that you head further north and check out [Kierland Commons](#) and [Scottsdale Quarter](#), which are on the left and right side of Scottsdale Road. You can walk from one mall to the other. Some of our favorite restaurants on the way to this area are [Suma Maya](#) and [Roka Akor](#), or you can check out some wine bars that also serve food while shopping, including [Sorso](#) or [Postino's](#).
