## About Boutique Travel Advisors

<https://travelbta.com/>

At **Boutique Travel Advisors**, we believe luxury travel goes beyond welcome chocolates on pillows & first-class seats. Luxury travel can be subjective. To us, the definition of luxury travel embodies having the privilege to explore & experience the infinitely possible wonderments the world has to offer when we decide to mindfully venture outside of our comfort zone in our home environment.

From booking bespoke safaris in South Africa, serenely scenic river cruises through France's waterways, to private wine (+ pasta) tastings on the Amalfi Coast... BTA strives to curate each personalized itinerary with credible expertise, dedicated service & the whole-hearted intention for each traveler to exceed their travel goals and expectations while on the adventure of a lifetime.

BTA is proudly a women-owned & run company. Co-owners and luxury travel curators, Janet Semenova and Angie Rice, use a thorough 5-step process to seamlessly design & tailor YOUR travel experience: explore, imagine, build, journey, reflect.

Your BTA travel itinerary is more than a document of scheduled flights, tours, and dinner reservations. It is the motherboard, the holy grail, the backbone of a transformational journey that turns your individual, subjective experiences into heart-warming, thought-provoking, jaw-dropping, life-changing memories that are worthy of being cherished for a lifetime.

## Weather in Tahiti

<https://weather.com/weather/tenday/l/TahitiPapeete+French+Polynesia+FPXX0001:1:FP>

### Weather in Tahiti

The tropical marine climate in French Polynesia is filled with sunshine year-round, with enough rainfall to nurture and sustain its lush vegetation and colourfully blooming environment. With an annual average of 8-hours of sunshine per day, the temperatures typically between 24°C (75°F) and 30°C (86°F), and the lagoon water temperatures between 23°C (73°F) and 26°C (79°F).

The wet season is between November to April, January being the wettest month with the most tropical rainfall and highest humidity. The best time to visit is during the dry season, when the weather is comfortable and balmy (in the high 70s and low 90s °F), between June and August, the driest month being August.

## French Polynesia Packing List

Find recommendations on the CDC French Polynesia [Healthy Travel Packing List](#)

Here are our packing suggestions for a tropical vacation:
