## About Boutique Travel Advisors

<https://travelbta.com/>

At Boutique Travel Advisors, we believe luxury travel goes beyond welcome chocolates on pillows & first-class seats. Luxury travel can be subjective. To us, the definition of luxury travel embodies having the privilege to explore & experience the infinitely possible wonderments the world has to offer when we decide to mindfully venture outside of our comfort zone in our home environment.

From booking bespoke safaris in South Africa, serenely scenic river cruises through France's waterways, to private wine (+ pasta) tastings on the Amalfi Coast... BTA strives to curate each personalized itinerary with credible expertise, dedicated service & the whole-hearted intention for each traveler to exceed their travel goals and expectations while on the adventure of a lifetime.

BTA is proudly a women-owned & run company. Co-owners and luxury travel curators, Janet Semenova and Angie Rice, use a thorough 5-step process to seamlessly design & tailor YOUR travel experience: explore, imagine, build, journey, reflect.

#### Highlights

- Enjoy full day private tour in Prague
- Discover the highlights of each side of the Vltava River

#### Description

Running through the heart of Prague is the Vltava River, the longest river in the Czech Republic. Unusually, it flows from south to north, originating as a tiny spring in southern Bohemia near the border with Austria and ends just north of Prague in Melník, where it merges with the Elbe River. As it flows through Prague, it is crossed by a total of 18 bridges, splitting the city in half, each side having a unique character. This full-day tour will show you the highlights of each side of the river.

Prague's Left Bank was the home of its nobility and royalty, with its most important sites: Prague Castle, the seat of Czech kings and several Holy Roman Emperors, and Strahov Monastery, where beer has been brewed since for over 700 years. On its Right Bank, merchants and traders settled centuries ago, making the city an important crossroads for trade and commerce. The best-preserved Jewish Quarter in Europe is located here, as well as Old Town Square and the famed Astronomical Clock.
