Medieval Villages with Wine Tastings

Of the 4 million tourists that come to Nice every year, few know that Nice has its own vineyards that produce high-quality AOC stamped wine. Let us take you off the tourist trail and help you discover Nice's best-kept secret on this bike tour to our favorite Bellet vineyard. Note that this is an authentic "dirt-under-the-fingernails" working vineyard that was not made for commercial tourism!

You will meet the passionate winemaker, who walks you through his lovingly cared for vines. He'll then explain the organic winemaking process, and what makes Bellet wine so special. Sample his wines and finish up with a picnic lunch in an idyllic setting under an olive tree.
