About Boutique Travel Advisors

<https://travelbta.com/>

At Boutique Travel Advisors, we believe luxury travel goes beyond welcome chocolates on pillows & first-class seats. Luxury travel can be subjective. To us, the definition of luxury travel embodies having the privilege to explore & experience the infinitely possible wonderments the world has to offer when we decide to mindfully venture outside of our comfort zone in our home environment.

From booking bespoke safaris in South Africa, serenely scenic river cruises through France's waterways, to private wine (+ pasta) tastings on the Amalfi Coast... BTA strives to curate each personalized itinerary with credible expertise, dedicated service & the whole-hearted intention for each traveler to exceed their travel goals and expectations while on the adventure of a lifetime.

BTA is proudly a women-owned & run company. Co-owners and luxury travel curators, Janet Semenova and Angie Rice, use a thorough 5-step process to seamlessly design & tailor YOUR travel experience: explore, imagine, build, journey, reflect.

Your BTA travel itinerary is more than a document of scheduled flights, tours, and dinner reservations. It is the motherboard, the holy grail, the backbone of a transformational journey that turns your individual, subjective experiences into heart-warming, thought-provoking, jaw-dropping, life-changing memories that are worthy of being cherished for a lifetime.

Our purpose is to make your travel dreams come true... We are here to make your every step along the way uncomplicated, stress-free, and wildly exciting. All we ask is, **where will your journey take you?**

A Dramatic Hideaway in a Rainforest Wonderland

In the early 1980s, Francis Ford Coppola visited Belize, immediately fell in love with the location, and purchased the abandoned Blancaneaux Lodge. For more than a decade the hideaway was used as a family retreat before Francis opened his tropical paradise to the public in 1993.

Tucked away in a pocket of the Maya Mountains, Blancaneaux Lodge offers 20 guestrooms all individual dwellings with thatched roofs. Here waterfalls tumble into turquoise pools above the jungle canopy. Its remote mountain setting makes it a perfect place to relax, rejuvenate and enjoy life's simple pleasures and amenities including an on-site spa with outdoor hot pool, a swimming pool, two restaurants, horse stables and an extensive organic garden. Guests can also explore the ancient civilization of the Maya, which still endures in the sacred sites throughout this magical region.

Adventure travelers won't want to miss touring the ceremonial caves along the white-water rivers of the Mountain Pine Ridge Reserve to stalactite caverns and the vast ruins of Caracol deep within the lush rainforest. Travelers with the environment in mind will be aligned with Francis Ford Coppola's vision of creating one of the first eco-lodges, with energy supplied by a hydro system using the river adjacent to the lodge and conservation practices throughout the resort.

Altun Ha (Maya for Rock Stone Water) thrived as a major trading center linking the Maya on the Caribbean with the Central American mainland Maya during the Post Classic and Classic periods.
