IMPORTANT: Passport, Visas & Other Travel Requirements

Passport Requirements: Please be aware of the passport requirements for your upcoming trip.

- We strongly recommend that you check your passport's validity and the number of blank pages available well in advance of your departure date. If your passport does not meet the requirements, we advise you to renew it as soon as possible to avoid any travel disruptions.
- Checking the expiration date of your passport well in advance allows you ample time to renew it if necessary. Many countries require that your passport be valid for at least six months beyond your planned departure date. Failing to meet this requirement may result in denied entry or even being turned away at the airport.
- To validate your passport's expiration date and to understand the specific entry requirements for your destination country, we recommend visiting the official website of your country's passport agency or consulate. These websites provide accurate and up-to-date information regarding passport validity, visa requirements, and any additional entry regulations specific to each country.
- For travelers from the United States, the official website of the U.S. Department of State (travel.state.gov) offers comprehensive information on passport requirements, including a passport validity checker tool. This tool allows you to enter your destination country and travel dates to determine if your passport meets the necessary validity requirements.
- Additionally, it is essential to familiarize yourself with any visa requirements for your destination country. The same official websites mentioned earlier will provide information on visa requirements and how to obtain them.
- We strongly recommend that you review the entry requirements for each destination you plan to visit, including passport validity, visa requirements, and any other specific documentation needed for entry. It is essential to allow sufficient time for obtaining or renewing passports and visas, as processing times may vary.
- Please note that failure to meet the necessary travel document requirements may result in denied entry or other travel disruptions. We encourage you to thoroughly research and comply with all relevant travel regulations to ensure a smooth and hassle-free journey.
- If you have any questions or need assistance regarding travel document requirements, our team is available to provide guidance and direct you to reliable resources.

Disclaimer: Boutique Travel Advisors (BTA) would like to emphasize that it is the sole responsibility of our clients to ensure they possess valid passports, visas, and have met all other necessary requirements prior to travel. While we are here to provide guidance and support, BTA cannot assume responsibility for verifying or ensuring the validity of our clients' travel documents. Thank you for your understanding and cooperation.

BTA highly recommends the purchase of travel insurance.

Travel Insurance Definition:

“Travel Insurance” means coverage for personal risks incidental to planned travel, including one or more of the following:

- Interruption or cancellation of a trip or event;
- Loss of baggage or personal effects;
- Damage to accommodations or rental vehicles;
- Sickness, accident, disability, or death occurring during travel.

What Your Travel Advisor May Do:

Employees of a Travel Retailer MAY transact Travel Insurance on our behalf and under our direction, including:

- 1 Offering/disseminating information on our behalf, including brochures, buyer guides, descriptions of coverage, and price;
- 2 Referring specific coverage/feature/benefit questions to us;
- 3 Disseminating/processing applications for coverage, coverage selection forms, or other similar forms;
- 4 Collecting premiums on our behalf; and
- 5 Receiving/recording information to share with us.

What Your Travel Advisor May Not Do:

The Travel Retailer's employees:

- 1 Are NOT qualified or authorized to answer technical questions about the benefits, exclusions, or conditions of any of the insurance offered by the Travel Retailer; or
- 2 To evaluate the adequacy of a prospective insured's existing insurance coverage.

BTA requests that you check your flights 24 hours prior to departure and periodically prior to departure to stay alert of possible changes, delays, or cancellations. While we strive to provide accurate and up-to-date information, unforeseen circumstances such as weather conditions or operational issues can occasionally impact flight schedules. By taking a few moments to verify your flight status, you can ensure a smooth travel experience and make any necessary adjustments in a timely manner.

Note: BTA is NOT responsible for flight changes or cancellations.

Our travel app does not automatically adjust for flight changes therefore it is important that you rely on the Airline's Website and Check-In process for the most accurate and up-to-date information about your flight status.

Given the unpredictability of today's environment, BTA strongly recommends arriving to the airport at least 3 hours in advance for international travel and 2 hours in advance for domestic travel.

Safe travels.

PAYMENT METHOD:

Payments may be made by the following methods:

Credit card

Bank transfer

Travelers are liable for all bank and related transaction charges. Some suppliers may charge additional credit card processing fees. These fees are strictly the responsibility of the traveler.

CREDIT CARD MERCHANT:

We also strongly recommend that you use a credit card for your purchase, so that you can exercise your rights under the Fair Credit Billing Act if you do not receive the services you purchased. However, if we are the credit card merchant, our role is to facilitate the sale, collect funds on your behalf, and remit those funds to the Suppliers. If the Suppliers do not provide the services, your only recourse would be against the Suppliers, and you agree not to initiate a chargeback against us.

FLIGHT PREPARATION:

BTA recommends that you check your flight for any changes at least 48 hours before departure and check in before arrival at the airport when possible. We recommend that you arrive at the airport 3 hours before traveling internationally and at least 2 hours before flying domestically. BTA is not liable for any travel interruption or disruption.

RISKS OF TRAVEL AND TRAVEL RELEASE:

BTA assumes no responsibility for and shall not be liable for the acts or omissions on the part of any other party not under our control or any acts of God, unsafe conditions, terrorism, health hazards including pandemics, illness, weather hazards, or the suitability for a disabled person of any portion of any trip. We have no special knowledge of dangers during travel or at destinations.

For information related to such hazards, we recommend you visit the State Department travel website at www.travel.state.gov, click on "Find International Travel Information," then click on "Country Information," and fill in the name of the destination country.

For medical and health information, we recommend you visit the Centers for Disease Control website at www.cdc.gov/travel, then click on "Destinations" and scroll to the destination country's name. It is your personal decision to travel, and you are doing so with full knowledge of current travel recommendations and travel restrictions regarding the risks of COVID-19 or any other pandemic.

FORCE MAJEURE:

Force majeure means unusual and unforeseeable circumstances beyond BTA's control or the control of our suppliers, the consequence of which neither BTA nor its suppliers could avoid even with all due care, including, but not limited to, war, threat of war, riot, civil strife, terrorist activity (actual or threatened), industrial dispute, unavoidable technical problems with transport, machinery or equipment, power failure, changes imposed by rescheduling or cancellation of flights by an airline, natural or nuclear disaster, fire, flood, drought, adverse weather conditions, epidemics or outbreaks of illness and level of water in rivers.

In the event of a cancellation or material alteration to the trip as a result of the circumstances as described in this clause, BTA may, in their sole and absolute discretion: a) offer the traveler(s) alternative travel arrangements or products of comparable standard as may be appropriate in the circumstances; or b) if BTA does not offer alternative travel arrangements or products, BTA will make every effort to obtain a prompt proportional refund of monies paid by the traveler to the suppliers.

YOU HEREBY EXPRESSLY ASSUME ALL OF THESE RISKS AND DANGERS, AND YOU HEREBY EXPRESSLY AGREE TO RELEASE FOREVER, DISCHARGE, AND HOLD US, AND OUR AGENTS, EMPLOYEES, OFFICERS, DIRECTORS, ASSOCIATES, AFFILIATED COMPANIES, GUIDES, GROUP LEADERS, AND SUBCONTRACTORS HARMLESS AGAINST ANY AND ALL LIABILITY, ACTIONS, CAUSES OF ACTIONS, SUITS, CLAIMS, AND DEMANDS OF ANY AND EVERY KIND AND NATURE WHATSOEVER WHICH YOU NOW HAVE OR WHICH MAY HEREAFTER ARISE OUT OF OR IN CONNECTION WITH THESE RISKS AND DANGERS.

Terms & Conditions for Restaurant Reservations

Boutique Travel Advisors (BTA) charges a fee of \$100 to assist with booking up to three dinner reservations during your trip. Our team of experienced luxury travel advisors will leverage our extensive network and expertise to secure reservations at highly sought-after restaurants, ensuring you have a memorable dining experience.

This fee covers the time and effort required to research, communicate with the restaurants, and secure your desired reservations. We understand the importance of curated dining experiences and strive to provide exceptional service in this aspect of your trip.

Please note that for a seamless and well-planned travel experience, we kindly request that you select your preferred dates, times, and restaurants for any pre-booked activities or dining experiences at least 30 days prior to your travel dates.

No-Show or Late Cancellation Policy

When it comes to dinner reservations with a cancellation window, we have certain policies in place to maintain a positive relationship with our partner restaurants and to manage the logistics involved in securing reservations.

In the case of a no-show or cancellation after the cancellation date, BTA reserves the right to charge a cancellation fee of \$100. This fee is necessary to cover the costs incurred by the restaurant due to the reservation being held and not utilized. Additionally, it helps us handle the process of restoring our relationship with the restaurant, as no-shows can negatively impact our standing and future reservations. Please be aware that additional cancellation fees may be charged by the restaurant itself, which will be communicated to you accordingly.

It is important to note that any changes made to dinner reservations after travel are the responsibility of the client. This includes modifications, cancellations, or requests for alternative arrangements. We recommend that you work with your hotel concierge to make any changes to restaurant reservations in the destination and for securing any new restaurant reservations.

We understand that unforeseen circumstances can arise, and we always strive to be flexible and understanding. However, it is crucial to communicate any changes or cancellations as soon as possible to minimize any potential inconvenience or financial implications.

If you would like our assistance in booking dinner reservations, please let us know and we will be happy to assist you. We believe that these carefully selected dining experiences will enhance your overall travel experience.

Self-Booking of Restaurant Reservations

If you prefer to book your own restaurant reservations, please share your confirmation details and we will add them to your itinerary. Thank you.
