IMPORTANT: Passport, Visas & Other Travel Requirements

Passport Requirements: Please be aware of the passport requirements for your upcoming trip.

- We strongly recommend that you check your passport's validity and the number of blank pages available well in advance of your departure date. If your passport does not meet the requirements, we advise you to renew it as soon as possible to avoid any travel disruptions.
- Checking the expiration date of your passport well in advance allows you ample time to renew it if necessary. Many countries require that your passport be valid for at least six months beyond your planned departure date. Failing to meet this requirement may result in denied entry or even being turned away at the airport.
- To validate your passport's expiration date and to understand the specific entry requirements for your destination country, we recommend visiting the official website of your country's passport agency or consulate. These websites provide accurate and up-to-date information regarding passport validity, visa requirements, and any additional entry regulations specific to each country.
- For travelers from the United States, the official website of the U.S. Department of State (travel.state.gov) offers comprehensive information on passport requirements, including a passport validity checker tool. This tool allows you to enter your destination country and travel dates to determine if your passport meets the necessary validity requirements.
- Additionally, it is essential to familiarize yourself with any visa requirements for your destination country. The same official websites mentioned earlier will provide information on visa requirements and how to obtain them.
- We strongly recommend that you review the entry requirements for each destination you plan to visit, including passport validity, visa requirements, and any other specific documentation needed for entry. It is essential to allow sufficient time for obtaining or renewing passports and visas, as processing times may vary.
- Please note that failure to meet the necessary travel document requirements may result in denied entry or other travel disruptions. We encourage you to thoroughly research and comply with all relevant travel regulations to ensure a smooth and hassle-free journey.
- If you have any questions or need assistance regarding travel document requirements, our team is available to provide guidance and direct you to reliable resources.

Disclaimer: Boutique Travel Advisors (BTA) would like to emphasize that it is the sole responsibility of our clients to ensure they possess valid passports, visas, and have met all other necessary requirements prior to travel. While we are here to provide guidance and support, BTA cannot assume responsibility for verifying or ensuring the validity of our clients' travel documents. Thank you for your understanding and cooperation.

BTA highly recommends the purchase of travel insurance.

Travel Insurance Definition:

“Travel Insurance” means coverage for personal risks incidental to planned travel, including one or more of the following:

- Interruption or cancellation of a trip or event;
- Loss of baggage or personal effects;
- Damage to accommodations or rental vehicles;
- Sickness, accident, disability, or death occurring during travel.

What Your Travel Advisor May Do:

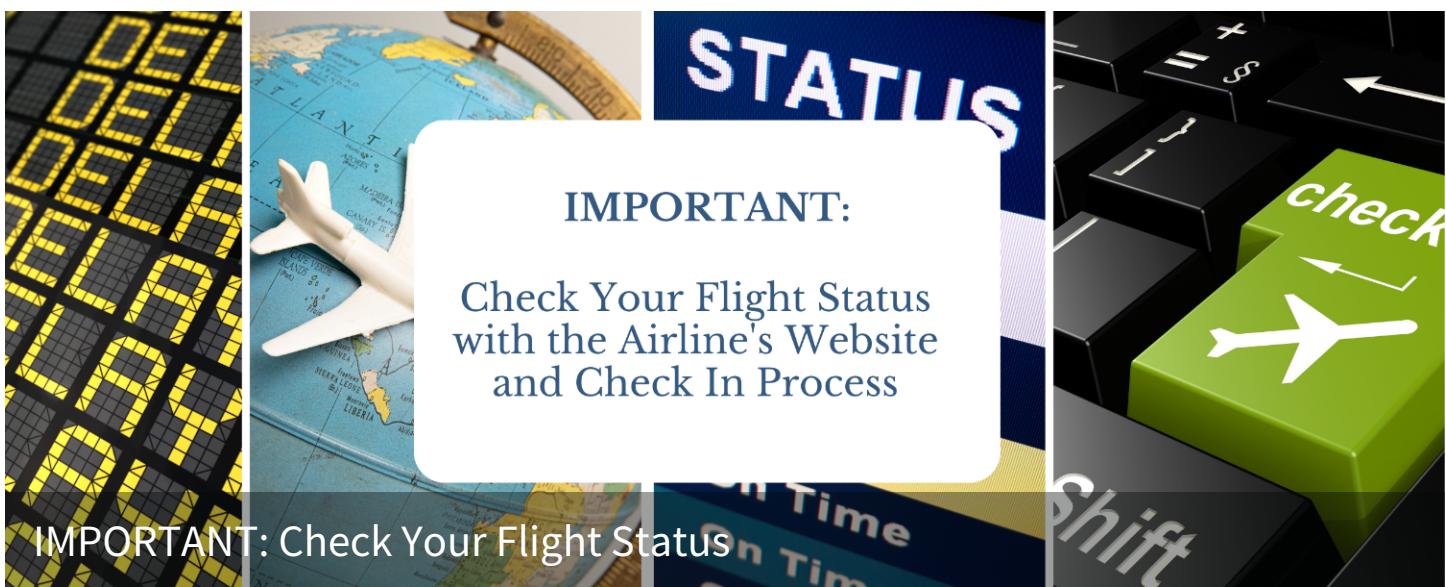

Employees of a Travel Retailer MAY transact Travel Insurance on our behalf and under our direction, including:

- 1 Offering/disseminating information on our behalf, including brochures, buyer guides, descriptions of coverage, and price;
- 2 Referring specific coverage/feature/benefit questions to us;
- 3 Disseminating/processing applications for coverage, coverage selection forms, or other similar forms;
- 4 Collecting premiums on our behalf; and
- 5 Receiving/recording information to share with us.

What Your Travel Advisor May Not Do:

The Travel Retailer’s employees:

- 1 Are NOT qualified or authorized to answer technical questions about the benefits, exclusions, or conditions of any of the insurance offered by the Travel Retailer; or
- 2 To evaluate the adequacy of a prospective insured’s existing insurance coverage.

BTA requests that you check your flights 24 hours prior to departure and periodically prior to departure to stay alert of possible changes, delays, or cancellations. While we strive to provide accurate and up-to-date information, unforeseen circumstances such as weather conditions or operational issues can occasionally impact flight schedules. By taking a few moments to verify your flight status, you can ensure a smooth travel experience and make any necessary adjustments in a timely manner.

Note: BTA is NOT responsible for flight changes or cancellations.

Our travel app does not automatically adjust for flight changes therefore it is important that you rely on the Airline's Website and Check-In process for the most accurate and up-to-date information about your flight status.

Given the unpredictability of today's environment, BTA strongly recommends arriving to the airport at least 3 hours in advance for international travel and 2 hours in advance for domestic travel.

Safe travels.

Tipping Recommendations in Italy

Gratuities in Italy, while extremely welcome and appreciated, are not as much 'expected' as they are in other countries and are totally optional.

If you are happy with the service you have enjoyed and would like to show your gratitude to the people who made it a very special experience for you here below you can find the amounts we recommend for Tour Guides, Drivers and other special services:

- Tour Guide Half Day Euro 30.00
- Tour Guide Full Day Euro 50.00
- Short Transfer (Driver) Euro 15.00
- Long Transfer (Driver) Euro 30.00
- Driver Half Day Euro 30.00
- Driver Full Day Euro 60.00
- Housekeeping Staff Euro 2.00 /day
- Hotel Staff, such as porters, should be tipped about 50 cents per bag for taking your bags to/from your room

The above amounts are to be considered per service and not per person. Fiscal laws in Italy are extremely tough on this matter and this is the reason why these amounts cannot be included in the service costs and have to be paid in cash directly to the suppliers. If you would like to 'tip like a local' at bars and restaurants then we suggest just leaving the change ie if your meal costs Euro 56 then just leave Euro 4; if the meal costs Euro 92 then just leave the Euro 8 change.

Terms & Conditions for Restaurant Reservations

Image credits: Jakub Kapusnak on Unsplash

Boutique Travel Advisors (BTA) charges a fee of \$100 to assist with booking up to three dinner reservations during your trip. Our team of experienced luxury travel advisors will leverage our extensive network and expertise to secure reservations at highly sought-after restaurants, ensuring you have a memorable dining experience.

This fee covers the time and effort required to research, communicate with the restaurants, and secure your desired reservations. We understand the importance of curated dining experiences and strive to provide exceptional service in this aspect of your trip.

Please note that for a seamless and well-planned travel experience, we kindly request that you select your preferred dates, times, and restaurants for any pre-booked activities or dining experiences at least 30 days prior to your travel dates.

No-Show or Late Cancellation Policy

When it comes to dinner reservations with a cancellation window, we have certain policies in place to maintain a positive relationship with our partner restaurants and to manage the logistics involved in securing reservations.

In the case of a no-show or cancellation after the cancellation date, BTA reserves the right to charge a cancellation fee of \$100. This fee is necessary to cover the costs incurred by the restaurant due to the reservation being held and not utilized. Additionally, it helps us handle the process of restoring our relationship with the restaurant, as no-shows can negatively impact our standing and future reservations. Please be aware that additional cancellation fees may be charged by the restaurant itself, which will be communicated to you accordingly.

It is important to note that any changes made to dinner reservations after travel are the responsibility of the client. This includes modifications, cancellations, or requests for alternative arrangements. We recommend that you work with your hotel concierge to make any changes to restaurant reservations in the destination and for securing any new restaurant reservations.

We understand that unforeseen circumstances can arise, and we always strive to be flexible and understanding. However, it is crucial to communicate any changes or cancellations as soon as possible to minimize any potential inconvenience or financial implications.

If you would like our assistance in booking dinner reservations, please let us know and we will be happy to assist you. We believe that these carefully selected dining experiences will enhance your overall travel experience.

Self-Booking of Restaurant Reservations

If you prefer to book your own restaurant reservations, please share your confirmation details and we will add them to your itinerary. Thank you.
