South Africa's "Mother City," Cape Town is dominated by Table Mountain and surrounded by the wild Atlantic Ocean, giving it an unquestionably jaw-dropping backdrop. It was once described by Sir Francis Drake as "the fairest Cape in all the circumference of the earth," and since the 16th century, seafarers have been drawn to its dramatic coastline and strategic location on the southwestern tip of the African continent. Cape Town leads South Africa in developing attractions to appeal to visitors, and it is now one of the world's top travel destinations.

Cape Town's highlights include the historical center, cutting-edge museums, the famous Constantia wine estates, and Robben Island, where Nelson Mandela was imprisoned. There is also a variety of trendy restaurants and nightclubs, as well as some of the best shopping opportunities in Africa.

Beyond Cape Town, a stunning coast road winds its way around the Cape Peninsula as far south as Cape Point, where there are pristine beaches, quaint seaside villages, and marine wildlife such as penguins and seals. The Winelands is South Africa's oldest and most beautiful wine-producing area, and the scenic valleys are covered by the vineyards of historic estates that have been cultivating grapes for more than 300 years. The southern coast is dubbed the Whale Coast, and it claims to have the best land-based whale-watching in the world. In season, sightings are almost guaranteed from the clifftops in Hermanus.

Cape Town's appeal also lies in its fascinating mix of nationalities and identities—African, European, Asian—and its history is compelling, too, from the early hunter-gatherers to the arrival of the Europeans, the Boer War and the breakdown of apartheid. In fact, it's Cape Town's mix of culture and lifestyle that makes it one of the world's most vibrant and cosmopolitan cities.

9:00 AM	5:00 PM	8hr
Start Time	End Time	Duration

Uncork the Cape Winelands and experience the rich history, culture, and scenic vistas on a day trip from Cape Town. Your private driver-guide will regale you with stories as you enjoy wine, cheese, and chocolate tastings. Take in the countryside with a vineyard lunch. Then enjoy the views of wine country on the way to the Paarl wine region.

Continue to the Franschhoek wine region, a historic French enclave and the grandfather of South African viticulture. The area around Franschhoek, translates to ‘French corner’ in the Afrikaans language as over 300 years ago a group of Huguenot settlers arrived fleeing religious persecution. That influence, nestled right alongside the larger Dutch-speaking community, gives the region a rich and varied history.

Admire stunning mountain views as you make your way to Stellenbosch. Visit a 1688 French-run slave farm turned into a 21st-century community-driven wine project. Immerse yourself in the fascinating story of the region.

Travel along Cape Town’s back roads, tasting and learning about South Africa’s bubbly Cap Classique, heady ports, sweet dessert wines, and plenty of red and white wines.
