Overview

Get picked up at a convenient Scottsdale location. Pull into any parking lot in Cave Creek, and you're likely to see a Tesla, a Harley and a horse (firmly tethered to a hitching post, of course) parked side by side. This random crew pretty much sums up the spirit of this town located near the northern reaches of Greater Phoenix. It's modern, a bit rebellious, yet rooted in the West. With a history that includes ancient peoples, gold mining, ranching and dam construction. Soak up the SW while we start the journey through Cave Creek and Carefree Arizona. You will be taken to Frontier Town where you will be taken back in time to a western town. Belly up to one of the biker or cowboy bars or have a proper English tea and the English Rose Tea Room. Your journey will continue to Carefree where we will visit the sundial while you be able stroll through Desert Garden a botanical garden all while be surrounded by local shops and eateries.
