NOTE ABOUT YOUR ITALY ADVENTURE

Tailor made travel

Dear Ashley and Family,

We are thrilled to share this exciting, custom safari plan with you. We felt you were right about a bit too much moving around and in this proposal have selected Rome and Florence as your destinations.

You would fly into Florence and out of Rome ideally. We selected Florence over Venice for a few reasons applicable to the Ryan family-

Diverse Outdoor Activities:

Florence is surrounded by the rolling hills of Tuscany, which are perfect for a variety of outdoor activities. Families can engage in hiking + biking through scenic routes like Chianti or the Apennine Mountains. These activities not only provide physical challenges but also offer breathtaking views of the Tuscan landscape.

Less Crowded Than Venice:

Compared to Venice, Florence tends to be less overwhelmed by tourists, especially during off-peak seasons. This aspect makes it easier for you to enjoy activities without the hassle of navigating through dense crowds, making the experience more enjoyable and personal.

Culinary Adventures:

Tuscany's culinary scene is a great adventure of its own. We have added a cooking classes where they learn to make traditional Tuscan dishes and we could also look into a truffle hunting expeditions—an engaging and unique experience that combines adventure with gastronomy. This is usually people's favorite activity! Let me know if we should price this out for you.

This will be an epic adventure, designed especially for you. We hope you enjoy the proposal and we will look forward to your thoughts.

BTA PREPARE FOR YOUR TRIP: TRAVEL REQUIREMENTS

Passports & Visas

Passport Requirements: Please be aware of the passport requirements for your upcoming trip.

- We strongly recommend that you check your passport's validity and the number of blank pages available well in advance of your departure date. If your passport does not meet the requirements, we advise you to renew it as soon as possible to avoid any travel disruptions.
- Checking the expiration date of your passport well in advance allows you ample time to renew it if necessary. Many countries require that your passport be valid for at least six months beyond your planned departure date. Failing to meet this requirement may result in denied entry or even being turned away at the airport.
- To validate your passport's expiration date and to understand the specific entry requirements for your destination country, we recommend visiting the official website of your country's passport agency or consulate. These websites provide accurate and up-to-date information regarding passport validity, visa requirements, and any additional entry regulations specific to each country.
- For travelers from the United States, the official website of the U.S. Department of State (travel.state.gov) offers comprehensive information on passport requirements, including a passport validity checker tool. This tool allows you to enter your destination country and travel dates to determine if your passport meets the necessary validity requirements.
- Additionally, it is essential to familiarize yourself with any visa requirements for your destination country. The same official websites mentioned earlier will provide information on visa requirements and how to obtain them.
- Please note that failure to meet the necessary travel document requirements may result in denied entry or other travel disruptions. We encourage you to thoroughly research and comply with all relevant travel regulations to ensure a smooth and hassle-free journey.
- If you have any questions or need assistance regarding travel document requirements, our team is available to provide guidance and direct you to reliable resources.

Disclaimer: Boutique Travel Advisors (BTA) would like to emphasize that it is the sole responsibility of our clients to ensure they possess valid passports, visas, and have met all other necessary requirements prior to travel. While we are here to provide guidance and support, BTA cannot assume responsibility for verifying or ensuring the validity of our clients' travel documents. Thank you for your understanding and cooperation.

Cash & Cards

Cash and Card Guidelines for Traveling in Europe

When traveling in Europe, managing finances smoothly is crucial for a hassle-free experience. Here are some guidelines for using cash and cards across the continent:

1. Understanding Currency:

- **Euro:** The Euro (€) is the most widely used currency in Europe, adopted by 19 of the 27 European Union countries, known as the Eurozone.
- **Other Currencies:** Countries outside the Eurozone, like Switzerland, the UK, Norway, and others, use their own currencies, such as the Swiss Franc, British Pound, and Norwegian Krone.

2. Using Credit and Debit Cards:

- **Wide Acceptance:** Credit and debit cards are widely accepted in most European countries, especially in cities and tourist areas. **Check to be sure your card offers Foreign Exchange Free use!** American Express and Chase cards generally offer this.
- **Chip and PIN:** Europe uses the chip-and-PIN technology. Ensure your card is enabled for international use and has a chip.
- **Inform Your Bank:** Before traveling, notify your bank of your travel plans to avoid any blocks on your card due to foreign transactions.

3. Carrying Cash:

- **Accessibility:** While cards are commonly used, it's advisable to carry some cash, especially for smaller transactions or in rural areas.
- **Exchange Rates:** Withdraw cash from ATMs for better exchange rates compared to currency exchange booths. Use ATMs affiliated with banks rather than standalone units in tourist areas to avoid higher fees.

4. ATM Use:

- **Fees:** Be aware of transaction fees for international withdrawals. Check if your bank has partnerships with European banks to reduce these fees.
- **Withdrawal Limit:** Some ATMs have a daily withdrawal limit. Plan your cash needs accordingly.

5. Safety Tips:

- **Keep Receipts:** Save receipts for card transactions to verify against your statements.
- **Secure Your Wallet:** Use a money belt or a secure, zipped bag to keep your cash and cards safe from pickpockets.
- **Multiple Cards:** Carry more than one card and store them separately to ensure you have access to funds if one is lost or stolen.

6. Mobile Payments:

- **Increasing Popularity:** Services like Apple Pay, Google Wallet, and Samsung Pay are becoming more common in Europe.
- **Setup Before Travel:** Ensure your device is set up for mobile payments and check its compatibility in your destination.
