The result of the most massive renovation undertaken since the property opened in October 1988, the resort has transformed itself, introducing a diverse collection of offerings that honor both guest and destination. In fall 2017, a refurbished main lobby, Thirsty Camel Lounge, Afternoon Tea Room, retail space, and pool complex with both VIP and children's areas, debuted. The Marketplace, a European-inspired café, and Mowry and Cotton, a lively, approachable venue featuring Modern American cuisine, also premiered, joining signature restaurants JandG Steakhouse and Relish Burger Bistro. Yet to come in 2018 is the new three-story Phoenician Spa, featuring a rooftop pool and Drybar; The Phoenician Athletic Club, with tennis, pickleball and basketball courts, as well as a state-of-the-art fitness center; and a completely redesigned and rerouted 18-hole golf course. Complementing it all is the extensive remodel of all resort casitas and guestrooms, as well as the makeover of The Canyon Suites at The Phoenician – the only Forbes Five Star and AAA Five Diamond hotel in the greater Phoenix area – which took place in summer 2016.

Day 2

Optional: Hike Camelback Mountain

[Camelback Mountain](#) has two spectacular trails, both require some endurance to complete, or you can opt to partially hike either trail. The beauty of staying at the Phoenician is that you are less than a 15 minute walk from the Cholla Trailhead. Read up on both trails, as the [Echo Canyon Trailhead](#) is the favored hike. I would take a short Uber ride if you choose this trail, as parking is a challenge.

El Chorro is old school Phoenix, and a wonderful place to catch the sunset for drinks. I would also recommend enjoying dinner here as well. Here is the [menu](#).

Consider arriving early to watch the sunset from the bar area.

Phoenix, Arizona

Just minutes from downtown, Papago Park offers exceptional hiking and a wide array of recreational facilities. Comprised primarily of sandstone, the range is known for its massive buttes that rise and fall throughout the park. The trails that interlace the area are generally easy treks. The smooth footing and low elevation gain make it a popular place for running and mountain biking. Papago Park is home two of the regions most visited attractions, the world-class Phoenix Zoo and the stunning Desert Botanical Garden. Additionally, the park boasts an archery range, orienteering course, Papago Ponds fishing lagoon, the Hall of Flame Museum Papago Park Baseball/Softball Complex, and the Papago Golf Course, home of the Arizona State Sun Devils' golf team.

Consider visiting the [Phoenix Zoo](#) or the [Desert Botanical Gardens](#) from Papago Park.

Scottsdale is known for its shopping. You are just a 5 minute drive from [Scottsdale Fashion Park](#). Link to [directions](#). For an outdoor ambience, I would head further north and check out [Kierland Commons](#) and Scottsdale Q, which are on the left and right side of Scottsdale Road. You can walk from one mall to the other. My favorite restaurants on the way to this area are [Suma Maya](#) and [Roka Akor](#), or you can check out some wine bars that also serve food while shopping, including [Sorso](#) or [Postino's](#).
