Day 1

Experience London, one of the multicultural capitals of the world! Over the years, this iconic European city has evolved into a rich melting pot of diversity. Art, culture and cuisine thrive brilliantly in this home to over 8 million, offering international flair while maintaining a distinct British quality. Visit one of the many free entry museums, go to the theater, or see the city from atop the London Eye to make your stay truly special.

If you're visiting London, England, for the first time, you may arrive expecting a European city that overflows with pomp and pageantry. Few visitors to London will fail to be impressed by the grandeur and craftsmanship of such monumental sights as Westminster Abbey or St. Paul's Cathedral, but that's just the historical foundation of today's modern, vibrant city. Cosmopolitan London has every visitor attraction from Bengali markets to designer boutiques to world-class art exhibitions to hand-written Beatles lyrics at the British Library. London offers the best of British food, fashion and cultural pursuits, but its multicultural population gives it an international flair, as well. London has a lively mix of languages, dress, festivals and bustling street life. As for sightseeing, visitors to London can admire orchids at Kew Gardens, gaze on the crown jewels at the Tower of London, learn about millennia of history at the British Museum and witness spectacular views of the city from the London Eye Ferris wheel—all in a day. An interest in the arts or royalty may be what draws you to the capital of England, but you don't have to be an avid theatergoer or a history buff to enjoy yourself thoroughly. Sporting and cultural events take place across the capital, showing off this festive city at its best. London is a place you will want to visit again and again, and each time you visit, the city will have something new to offer.

## Group Gaudi Walking Tour

+33 6 95 38 88 49

10:30 AM

Start Time

### Meeting Point

Avinguda de Gaudi 2, outside KFC. Our guide will be wearing a pink vest

This Gaudi walking tour explores the work of the magical architect who single-handedly made Barcelona so unique Antoni Gaudi, in the early 1900's. It is our introduction to Barcelona.

Our city guides are natives, and understand what it's like to live around and inside his buildings, and the gossip and the stories behind it all.

The tour starts at "the apple of discord" the famous corner where 3 houses compete as Barcelona's greatest work. So which is best? You will have your own opinion, to be sure.

We explore "Passeig de Gracia," where modern-day Barcelona first started, and we explore Eixample the template district for the rest of our city and we explore Gaudi's main constructions Casa Batlló, Casa Milà etc.

We also discuss the human stories behind each of these buildings who commissioned each of these works and why, and what it's like to live in these buildings. We discuss what Gaudi was trying to do his "catalanity" philosophy.

To get to our finale, we ride the metro together you get to try out our dependable, comfortable underground transportation system.

Our finale is Gaudi's unfinished masterpiece and Barcelona's main landmark, Sagrada Famila basilica.
