### Day 1

## London Introduction

@TRAVELBTA

Experience London, one of the multicultural capitals of the world! Over the years, this iconic European city has evolved into a rich melting pot of diversity. Art, culture and cuisine thrive brilliantly in this home to over 8 million, offering international flair while maintaining a distinct British quality. Visit one of the many free entry museums, go to the theater, or see the city from atop the London Eye to make your stay truly special.

If you're visiting London, England, for the first time, you may arrive expecting a European city that overflows with pomp and pageantry. Few visitors to London will fail to be impressed by the grandeur and craftsmanship of such monumental sights as Westminster Abbey or St. Paul's Cathedral, but that's just the historical foundation of today's modern, vibrant city. Cosmopolitan London has every visitor attraction from Bengali markets to designer boutiques to world-class art exhibitions to hand-written Beatles lyrics at the British Library.

London offers the best of British food, fashion and cultural pursuits, but its multicultural population gives it an international flair, as well. London has a lively mix of languages, dress, festivals and bustling street life. As for sightseeing, visitors to London can admire orchids at Kew Gardens, gaze on the crown jewels at the Tower of London, learn about millennia of history at the British Museum and witness spectacular views of the city from the London Eye Ferris wheel—all in a day. An interest in the arts or royalty may be what draws you to the capital of England, but you don't have to be an avid theatergoer or a history buff to enjoy yourself thoroughly. Sporting and cultural events take place across the capital, showing off this festive city at its best. London is a place you will want to visit again and again, and each time you visit, the city will have something new to offer.

**Day 3**

**Seville Introduction**

@TRAVELBTA

Exploring the labyrinthine old city of Seville, Spain, might give you a clue as to how Sevillanos in the 1500s developed the skills to become masters of global navigation. Even with today's GPS apps, finding your way through the maze of narrow winding streets can pose a challenge. But you'll know it's worth the effort when you glimpse a plant-filled patio with a trickling fountain or stumble upon a lovely plaza alive with people enjoying drinks and tapas.

Seville offers plenty to see and do. First there are the adapted Moorish gems and the Gothic and baroque trophies erected during the centuries when the city was a dominant commercial hub. Then there are the sights maintained from the two international fairs hosted in the 20th century when Seville reclaimed its place on the world stage. And if you're lucky enough to witness a Semana Santa procession, or see Sevillanos decked out in their flamenco finery at the Feria de Abril, or catch a whiff of orange blossoms and jasmine, then you'll truly understand what it means to be in the capital of Andalusia.

## Day 5

### Granada Introduction

@TRAVELBTA

Granada offers a lot more to see and do than you would normally expect from a provincial capital. The biggest attraction is no doubt the Alhambra, which consistently draws more visitors than any other sight in Spain. Because Muslim rule lasted the longest in Granada—roughly 250 years longer than in Cordoba and Seville—the city has the widest-ranging inventory of medieval Moorish structures on the Iberian Peninsula: Arab courtyard homes, bathhouses, cisterns, defensive walls and horseshoe-arched gates, mostly in the Albaicin district. Likewise, the Christian conquest in 1492 sparked a building boom as the new monarchs put their stamp on the city. Centuries-old monasteries, churches, palaces and civic buildings in styles ranging from Gothic, baroque and Renaissance to mudéjar define the cityscape.

As impressive as its monuments are, modern-day Granada in no way languishes in the past. In restaurant terraces and tapas bars, fun-loving Granadinos mingle with a steady stream of tourists from all over the world and a local and international student population of 60,000. As the beautiful views and gastronomic bounty attest, nature has been extremely generous. Traveling less than an hour in any direction will take you to lovely mountain or coastal scenery where, depending on the season, you can ski, snowboard, hike, cycle, kayak or swim.

## Day 6

## Marbella Introduction

@TRAVELBTA

Marbella is the premier resort town on the Costa del Sol, and perhaps in all of Spain. The exclusive prime real estate of the Golden Mile, the fashionable Puerto Banus marina and the sprawling developments of condos and golf courses in the Nueva Andalucia area are the basis for its bling-bling brand. The special Marbella way of life includes trendy beach clubs with champagne-spraying partiers, liquid nitrogen cocktails at upscale bars, Michelin-starred cuisine and a 24-hour golf club. Yet in the midst of all the glitz is the Old Town—the original Marbella—a quaint, laid-back and whitewashed Andalusian village where you can enjoy simple pleasures like the scent of orange blossoms or the taste of fresh-grilled sardines at a beachside bar. Chances are, the Mediterranean climate and scenery will agree with you no matter which Marbella you choose.

#### MUST SEE OR DO

Sights—The Plaza de los Naranjos; the narrow lanes of the Old Town; the fashionable Puerto Banus.

Museums—Old-growth olive trees held in check at the Museo del Bonsai; engravings by top Spanish artists at the Museo del Grabado Espanol Contemporaneo.

Memorable Meals—High-flying creativity at Dani Garcia Restaurante; great tapas at Taberna La Nina del Pisto; an espeto de sardinas at a beachside chiringuito.

Late Night—Tapas-bar-hopping in the Old Town; cocktails at Lemmon; dancing at Finca Besaya and Trocadero Arena.

Walks—Through the Old Town to Alameda Park; down Avenida del Mar, taking any direction on the Paseo Maritimo.

Especially for Kids—Zip-lining through Aventura Amazonia; playing on the gorgeous beaches.

## Barcelona Introduction

Barcelona, Spain's second-largest city, is inextricably linked to the architecture of Antoni Gaudi. His most famous and unfinished masterpiece, La Sagrada Familia, is the emblem of the city.

Like the basilica, Barcelona takes traditional ideas and presents them in new, even outrageous, forms. And the city's bursts of building and innovation give the impression that it's still being conceived. Both the church and the city can be tough places to get a handle on, yet their complexity is invigorating rather than forbidding.

Since it hosted the Summer Olympics in 1992, Barcelona has been on the hot list of European destinations. The staging of the Universal Forum of Cultures in 2004 also raised the city's profile. Over the past decade, better infrastructure, increased cruise ship traffic and a reputation for gastronomic excellence have put Barcelona at the forefront of European city destinations.
