Campo Marzio Walking Tour

Walking through Campo Marzio is at once a living history lesson and a celebration of Rome's famed Dolce Vita. Join your local expert guide to explore the area's rich history, cultural highlights and true Roman flair...

For close to three millennia, Campo Marzio has played a vital role in Rome's history: as the ancient city's breadbasket and a military training ground with a flooded "naval stadium" in the Imperial Age, as a medieval slum for destitute immigrants and a trendy neighborhood for the Baroque upper class.

Today, it is home to must-see sights like the Pantheon and the Spanish Steps, the power center of modern government at Palazzo Chigi and the city's most fashionable shopping street Via del Corso. The amusing anecdotes and insider insight of your local expert guide will make Campo Marzio's rich history come alive as we make our way from Piazza di Spagna to Piazza Navona, stopping along the way to admire the art of travel in Italy...

Architectural and artistic treasures, stylish storefronts and flowing fountains – and tossing an obligatory coin into the recently restored Fontana di Trevi! As a fitting end to an exciting experience, enjoy an al fresco cocktail or meal on lively Piazza Navona to the burbling soundtrack of Bernini's Fontana dei Quattro Fiumi.

(Tour duration: 3 hours – 2 Entrances to Pantheon included)

Day 2

VIP Vatican Tour

9.15 am – Meet your English speaking guide in front of the Cafe of the Vatican Museum which is located opposite the museum, on the other side of the street.

On today's 'voyage through the Vatican', our local expert guide will show you the city-state's most beloved masterpieces and little-known treasures, all the while sharing tales of intrigue, tragedy and power from the Holy See's turbulent history. Meet your guide at the Vatican Museum's entrance and skip the lines with your timed tickets.

Originally built as papal palaces for the Renaissance pontiffs, the Vatican Museums have an unparalleled collection of classical statuary, ancient treasure like Egyptian mummies and Etruscan bronzes, a hallway lined with 16th-century topographical maps of Italy and paintings by Old Masters from Giotto and da Vinci to Titian and Raphael.

Continue with a wander through the Sistine Chapel, gazing up at Michelangelo's masterful ceiling, and a stroll down the cavernous nave of St. Peter's Basilica with its majestic dome and bronze canopy. The tour ends on the square of the same name, a sacred and monumental site where throngs of the faithful gather to receive the pontiff's blessing.

Florence is a vast and beautiful monument to the Renaissance, the artistic and cultural reawakening of the 15th century that heralded giants of literature, art, engineering and philosophy like Machiavelli and Dante, Michelangelo and Donatello, Galileo and da Vinci as well as all-powerful patrons like the Medicis.

Day 4

9.00 am - Meet your English speaking guide in the lobby of the hotel. A walking tour with a difference! Join your local expert guide for a tour of Florence that is tailored specifically to your interests... Whether you are brand new to the City of the Lily or a "been-there-done-that" veteran, we have just the Florence walking tour to suit your needs.

First-timers will not want to miss the city's highlights Piazza della Signoria: Europe's most beautiful square with the Palazzo Vecchio, the center of the city's political life for over 700 years. The Cathedral of Santa Maria del Fiore: view the cathedral, adorned by the lovely campanile and crowned with its imposing cupola, an amazing challenge of engineering to be solved only by the genius of Brunelleschi.

We discuss how the difficulties were to be overcome in the most imaginative of ways. We reach the Arno River and view the lovely bridges that span its waters and the charming riverfront houses of the Oltrarno district. The oldest bridge, the Ponte Vecchio, is lined with tiny old-style shops where meat was sold in medieval times and now are jewelry stores. But our expert guides won't stop there, they take you down roads less traveled, share fascinating tales from the city's history and hunt down hidden treasures chosen especially for you. Day at leisure to explore Florence on your own...

Escape the city's frenetic pace in the lush Boboli Gardens at Pitti Palace, an open-air museum for horticulturists. Its mix of statuary and topiary, fantastical fountains and grottos, terraces and bosquets, was a prototype 'Italianate' garden for aristocrats across Europe.

Rise above the fray on Piazzale Michelangelo's hilltop perch (the view is your reward for the climb!) or engage in quiet contemplation at the Oblate convent turned library. Between the two is the San Niccolò district with lively piazzas, 'Beach Arno' and an artsy, hipster vibe.

On arrival, every guest is immediately given the feeling of having crossed the threshold into an exclusive place with an extraordinary atmosphere.

The original interior layout has been maintained and 51 rooms were created many of which frescoed. They have been painstakingly restored and furnished with antiquities.
