## Tipping Recommendations France, Germany and Italy

### TIPPING INFORMATION

Gratuities in France, Germany and Italy while extremely welcome and appreciated, are not as much ‘expected’ as they are in other countries and are totally optional.

If you are happy with the service you have enjoyed and would like to show your gratitude to the people who made it a very special experience for you here below you can find the amounts we recommend for Tour Guides, Drivers and other special services:

Tour Guide Half Day Euro 20.00  
Tour Guide Full Day Euro 40.00  
Transfer (Driver) Euro 10.00-15.00  
Driver Half Day Euro 20.00  
Driver Full Day Euro 30.00

Housekeeping staff 4 Euro/day  
Hotel Staff, such as porters, should be tipped about 1 Euro per bag for taking your bags to/from your room.

The above amounts are to be considered per service and not per person. Fiscal laws in France are extremely tough on this matter and this is the reason why these amounts cannot be included in the service costs and have to be paid **in cash directly to the suppliers**.

If you would like to 'tip like a local' at bars and restaurants then we suggest just leaving the change ie if your meal costs Euro 56 then just leave Euro 4; if the meal costs Euro 92 then just leave the Euro 8 change or 1-2 euros per person. 5%-10% is also a common tipping practice.

### Paris in a Day: Skip the Line Louvre, Eiffel Tower, Montmartre

8:45 AM

Start Time

#### Meeting Point

Anvers (line 2) - Tourism Office

#### Itinerary:

Paris is a city with a lot of history and even more attractions so if you want to see the best of it in a day, it helps to go with an expert guide who will take care of logistics and tell you the story of the city as you go, including the characters, facts, myths and lore and will make the experience unforgettable.

Your day starts at the base of Montmartre hill from where you'll meet your guide and your small group of no more than 15 people, then take the funicular to Sacré-Cœur Basilica. After taking in stunning views of the city, your guide will lead you through the winding streets of Montmartre, stopping off at the neighborhood vineyard, artist hangout Place du Tertre, and a reconstructed windmill, much like those made famous by the cabaret club (and movie) Moulin Rouge.

Next you'll catch the subway - Paris' best mode of transport - for a short trip to the Île de la Cité, Paris's oldest district. The City of Light started on this very island, growing from a Roman outpost into the most populous and prosperous city in Europe. Above it rises Notre Dame. Severely damaged by a recent fire, she still stands proudly in the heart of the city; testament to the genius of its design and the endurance of France. Your guide will bring you as close as the ongoing restoration will permit to give you the best views possible. You'll cross the river into the historic Latin Quarter with its gothic churches and winding, cobbled, streets ending at Place Saint-Michel, gathering place for locals and visitors alike. You'll also see La Conciergerie, the prison where Marie Antoinette was kept before she was beheaded; Place Dauphine, possibly the prettiest square in Paris; and gorgeous Pont Neuf bridge.

A short walk down the Seine brings you to the Louvre, where you'll enjoy a 1-hour lunch break (with recommendations from your guide) before diving into the largest art museum in the world, to see some of its most spellbinding works of art. The highlight is, of course, da Vinci's Mona Lisa. Your guide will help you understand why the painting is so significant and how, after all these years, it has managed to maintain its reputation as one of the world's greatest works of art.

After another short subway ride you'll find yourself staring up at the Eiffel Tower from the best vantage point at Trocadéro Plaza, learning the incredible story of how it was built.

At the Tower your guide will depart but as a parting gift they'll leave you with a skip-the-line ticket for the second floor and a ticket for a one-hour Seine river cruise that you can use immediately (we'd recommend it since it's almost sunset) or save for the next day. Cruising from west to east and back again, this boat tour (audio included if you wish), passes such monuments as the Musée d'Orsay, the Louvre, and Notre Dame, allowing you to get a new vantage point on sites you saw earlier plus many beautiful bridges including the Pont Neuf.

And that's it; in just one day you'll have seen Paris by foot and water, skipping its longest lines to see its most popular attractions, plus a few local favorites along the way.

#### Meeting Location/Transit Details:

In front of the subway stop Anvers (line 2), next to the Tourism Office booth. The booth is situated in front of the metro station exit (there is only one exit). Your guide will be holding a Walks sign.

#### Meeting Point Directions:

Arriving by taxi: Ask your driver to drop you off at the metro stop Anvers, situated at 80 Boulevard de Rochechouart, 75018 Paris. The metro station Anvers and the Tourism Office booth are across the street. Your guide will be in front of the Tourism Office, holding a Walks sign. French directions for taxi driver: "Je dois aller devant la station de metro Anvers, 80 Boulevard de Rochechouart, merci."

Arriving by Metro: Take Line 2 to Metro Station Anvers. When you leave the train, follow the sign "sortie" (exit). There is only one exit. After exiting the station, you will see the Tourism Office booth in front of you. Your guide will be there, holding a Walks sign.

#### End Point:

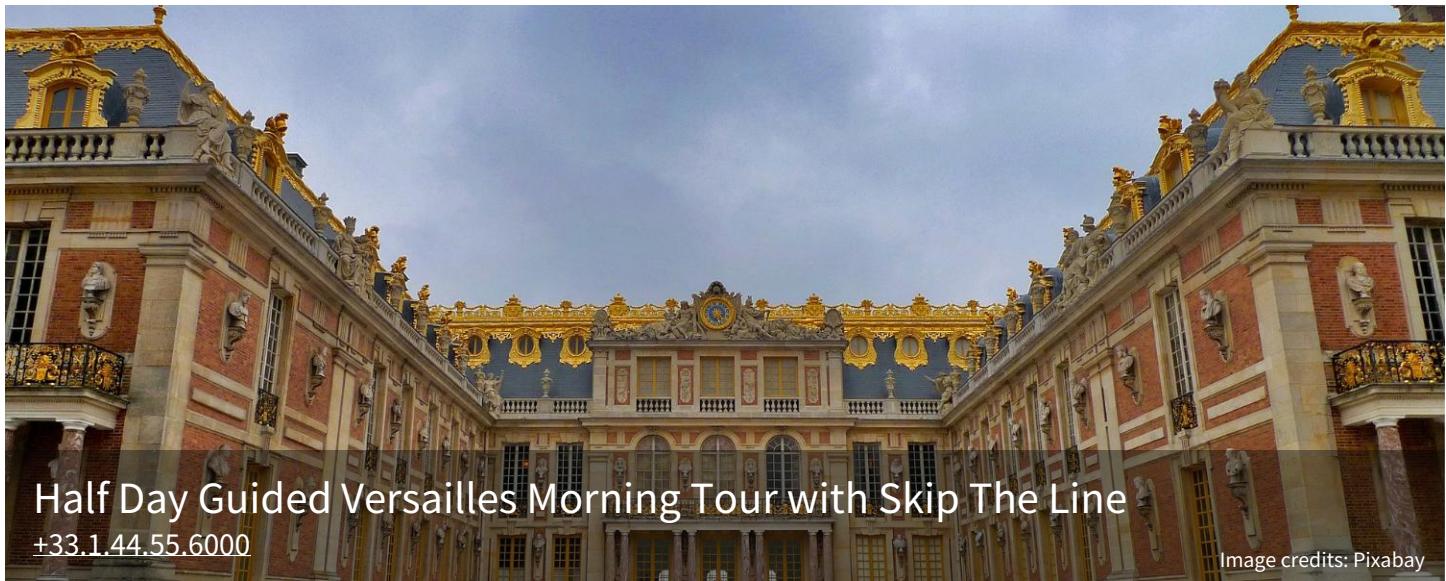

At the Eiffel Tower.

### Meeting Point

Hotel Lobby

Enjoy the convenience of a small group guided tour of the beautiful Palace at Versailles. You'll also have time to explore the exquisite gardens on your own. Our interpreter-guide invites you to experience the history of the Palace of Versailles, one of the world's most famous monuments to royalty. Your guide will take you straight in, without standing in line, and lead you through the most beautiful rooms -- the State Apartments, the Hall of Mirrors and the Queen's private Apartments. Free time is planned at the end of the tour for a walk in the French-style gardens, which are full of magnificent statues, busts and marble vases.

**Itinerary** Leave your Paris accommodation at 1:15pm for a minibus journey to Versailles; arrival scheduled for around 2pm. The number of participants is limited to a maximum of eight to allow you to enjoy a tailor-made excursion with your driver-guide. Along the way your guide will provide information about the palace's history. On arrival you will follow your guide straight to the front of the line to tour the palace's most beautiful rooms: the King's Grand Apartments, with seven rooms each dedicated to a different god (Apollo, Mars, Mercury, Venus, etc.), and the Queen's Grand Apartments, mirroring those of the king, including the Coronation Room and the Queen's Bedroom, once occupied by Marie Antoinette. Also, marvel at the majestic "Hall of Mirrors" Versailles, a large reception room in which to see and be seen, dreamt up by the famous architect, Jules Hardouin-Mansart. Almost 240 feet-long, it was created to astonish visitors to the Sun King, Louis XIV; it is lit by 17 windows and some 350 mirrors, and overlooks the palace's breath-taking gardens, the second part of your visit. In 1661, Louis XIV commissioned the landscape architect André Le Nôtre to lay out the gardens and grounds, something that was just as important to the king as the construction of the palace. Spend time exploring the Gardens of Versailles and admire the 386 works of art (including more than 200 statues), fountains, ponds, flower beds, and woodland. During the Summer months, a range of activities are organized, for example, the Grandes Eaux Musicales, when the garden's fountains "dance" in time to music.

Return to Paris scheduled for around 5:15pm.
